WELCOME & FRAMING (5 MIN)

Objective:

“Tonight is not about pressure or programmes. It’s about aligning our hearts with what God desires for our cell.”

Icebreaker (choose one):

- What first made you feel connected to this cell?
 - One word to describe our cell right now.
-

GOD'S DESIGN FOR THE CHURCH (10 MIN)

Read Scripture

- Acts 2:42–47, Ephesians 4:15–16

Key Emphasis

- The church grows when *every part does its work*
- Community is both spiritual and practical
- Health precedes growth

Discuss

- Which part of Acts 2 stands out to you for our cell right now?
-

MINISTRY – CARING WITHIN (15 MIN)

Value: *We minister to one another to be strengthened in Jesus Christ*

Key Scriptures

- Galatians 6:2, John 13:34–35, 1 Thessalonians 5:11, Romans 12:10

Ministry is not only for leaders—it's the responsibility of the **whole body**.

Discussion Questions

- How do we currently care for one another?
 - Who might need more support in our cell?
 - How can every member participate in ministry within the cell and in the church?
-

MISSION – REACHING OUT (15 MIN)

Value: *We are blessed to be a blessing beyond ourselves.*

Key Scriptures

- Matthew 28:19–20, Acts 1:8, Matthew 9:36–38

Mission is not an event—it's a posture:

- Seeing people with compassion and love
 - Being ready to bless when the need arises
-

Discussion Questions

- Who has God already placed in your life to reach out to?
 - Where do you sense God prompting you to be intentional?
 - How can our cell pastor the community together? What else can we do to be more effective?
-

MULTIPLY DISCIPLES – GROW BEYOND (15 MIN)

Value: *Healthy disciples make disciples.*

Key Scriptures

- **2 Timothy 2:2, John 12:24, 1 Corinthians 3:6–7**

Multiplication is:

- Not about numbers
- Not about rushing
- About growing intentionally as disciples of Christ

Discussion Questions

- Which area would you (cell members) like to grow in personally?
- Who could you intentionally walk with spiritually?
- What fears or misconceptions do we have about multiplication?
- How can we do our part to ensure that our cell grows healthily?

Pray that God will enable the cell to grow towards the vision in 2026

Cell Vision

Cell leaders to take note: After the discussion, you and your team can craft the cell vision statement for the year and share at the next cell meeting
