EDIFY ONE ANOTHER THROUGH HIS WORD

Sermon Title: Jubilee: Return and Reset – Part 3 “Fear of God, Trust and Obedience”

Sermon Date: 14 Apr 2024

Reference Text: Leviticus 25:10-55

Speaker: DSP Melvin Gan

SERMON RECAP

- To fear God is to be in awe and reverence of God and not in the negative sense of the word fear.
- People can be restrained by Laws & Rules, Fear of Consequences, Conscience and Societal Norms. But Christians should ultimately be restrained by the fear of God.
- We need to grow in our fear of God and live our lives worthy of God's grace for us.
- The instructions in Leviticus requires us to have both obedience and trust in God.
- We are to obey God's instructions even if it makes us feel insecure and trust in God to fulfil His promises.
- Another hindrance to our obedience to God is when we feel that it infringes on our rights.
- We need to learn to obey even if we have to surrender our rights.
- We are the recipients of God's grace and mercy and we must learn to extend grace and mercy especially to the poor, weak and oppressed.

SHARING

- Do we live in the fear of God? Or do we play “hide-and-seek” with God, hiding like Adam and Eve did in the Garden of Eden? How can we learn to live in the fear of God?
- What are some of our insecurities that hinder us from obeying and trusting God?
- Share a situation where you had to give up your rights to obey God. How did God help you to overcome this challenge?

PRAYER

- Pray for God’s help to surrender some worldly things in our lives and to reset our spiritual life to walk in the fear of God.
- Pray for God’s help to trust and obey His instructions in spite of our insecurities and perceived infringed rights.
- Pray that we can reset our trust in God, in this Jubilee year.
