EDIFY ONE ANOTHER THROUGH HIS WORD

Sermon Title: Living in Community

Sermon Date: 13 October 2024

Reference Text: Hebrew 10:24-25; 1 Thessalonians 5:4-15

Speaker: DSP Melvin Gan

Sermon Recap

DSP Melvin Gan emphasized the importance and beauty of living in Church community and in essence, doing life together.

-living in Church community is biblical and being in community to enjoy community life is by choice

-The purpose is to grow

-We are to look beyond a physical building, but a community that we can commit and build relationships.

There are seven benefits of Church community living:

1. Admonish toward living in faith
2. Build up one another
3. Affirm one another
4. Help one another
5. Protect one another
6. Love one another
7. Sharpen one another

-Jesus in His fullness as man, experienced the toughest pain and disappointment, strife and competition, betrayal and harm.

-In our humanity's brokenness, we can't ignore potential pain in community living

-Have faith in people again to enjoy community living

SHARING

1. In your opinion, how many of us do regard Church community as our spiritual family and community in faith, love and hope? (1 Thessalonians 5:8(b)) How about you? Share your heartfelt thoughts.

2. In your journeying together in personal family life and Church life, what are some of your commendable or challenging encounters? Share your experience.

3. How can we create a safe space in our cell community to admonish one another to grow our faith in Christ? Share and encourage one another.

PRAYER

1. Ponder on the benefits of living in Church community, and give thanks to God for placing you in LSBC. How about affirming your cell leader or any cell member that has contributed to your growth.

2. Pray for rebuilding of trust in relationships - be it personal, family or Church life
