EDIFY ONE ANOTHER THROUGH HIS WORD

Sermon Title: Jubilee: Restoration from Sin

Sermon Date: 26 May 2024

Reference Text: 2 Samuel 12:1-23

Speaker: DSP Melvin Gan

SERMON RECAP

- When we are confronted with our sins, our natural response is to be defensive, evasive or dismissive.
- We need to confess our sins to God, repent of our wrongdoings and receive God's forgiveness (1 John 1: 9 - If we confess our sins, He is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness.).
- Even though God has forgiven us after we confess our sins, we may still have to bear the consequences of our mistakes.
- Our God is not only a loving God, but He is also a just God. We need to learn to accept the consequence of our sins. We can plead with God like what David did. But if the consequences of our sins remain, we must accept it and not be bitter or angry.
- Besides the consequences of our sins, we also need to make restitution to the party we have wronged. Making restitution demonstrates the sincerity of our repentance.
- After we confess, repent, and face up to the consequences and make restitution, we can expect restoration from God.

- We can recover from our sins, if we choose to respond correctly to God. This is not because we deserve it, but because God is a patient, loving and forgiving Father.

SHARING

- How do we typically respond when we are confronted with wrongdoing? Share a recent incident.
- How can we learn to respond correctly to God when He convicts us of our sins?
- Share a situation where you received restoration from God. What lessons can you learn from this?

PRAYER

- Pray that we will respond correctly when we are confronted and convicted of our sins.
- Pray to God for forgiveness and restoration for our sins which we have yet to confess and repent.
- Pray for God to set free those that have a lingering sense of self-condemnation that refuses to go even after God has restored them.
