EDIFY ONE ANOTHER THROUGH HIS WORD

Sermon Title: What Has Shaped Our Lives?

Sermon Date: 13th Aug 2023

Reference Text: Heb 11:23-28

Speaker: DSP Melvin Gan

SERMON RECAP

- Circumstances in our past and growing up years can shape our lives. Our response to these will determine their impact on our lives.
- Moses, the man of God, had incidents in his past that could have very negatively impacted him and his future.
- There are 4 general categories of experiences that can shape us:
 - Our birth and family circumstances
 - Our significant life events
 - The power of other's words
 - Our successes and failures
- Have we, similarly to Moses, had events or circumstances that defined and shaped us to become who we are?
- We can make 2 decisions to change course
 - By allowing God to lead us (Exo 3:11-12, Heb 11:28,29)
 - By having a divine exchange with God (Mt 11:28-30)

SHARING

- Can you share about circumstances or events in your life that have shaped who you are today?
- Have words people said to us or about us affected us negatively or positively? Take some time to share.
- Have our successes or failures shaped who we are today? Please share.
- Are we willing to allow God to lead us from today forward? Are we ready to surrender our past to God and allow Him to give us a fresh start?

PRAYER

- Pray that our past negative circumstances do not define us anymore.
- Pray for a breakthrough with God and in our life circumstances.
- Pray that God will be the One who shapes our lives henceforth. Pray that God's will be done in each of our lives.
