EDIFY ONE ANOTHER THROUGH HIS WORD

Sermon Title: RETURN TO OUR POSSESSION: OUR ATTITUDE TOWARDS POSSESSIONS

Sermon Date: 4 February 2024

Reference Text: Leviticus 25:10, 13-17, 23-37

Speaker: DSP Melvin Gan

Sermon Recap

- **Read the bible passage from Leviticus 25:8-17**
- During Jubilee, the return and reset of the possessions of the Israelites was a key theme.
- Liberty was proclaimed throughout the land. Those in debt were set free from their physical debts. Slaves were released. Land was returned back to their original owners.
- Ultimately, all that the Israelites possessed and even their very lives belonged to God and this truth was re-emphasised during the Jubilee year.
- As Christians today, we must likewise realize that everything we are and everything we possess belongs to God.
- We must remember we are but stewards for a time. We must hence be faithful to our allotment and we must be grateful towards God for all He has entrusted to us.
- To those who are in possession of wealth, we are reminded to review our attitudes towards our possessions and to always fear the Lord in all our dealings with others.

SHARING

- Share: Do our possessions have us or do we have our possessions?
- Have we ever been tempted to give in to materialism? Why so?
- Have we always been generous in our dealings with others or have we turned a blind eye to those in need? Why so?

- How can we take concrete steps to develop in Godly stewardship towards our possessions? How do we increase in faithfulness and gratefulness towards God with regard to our earthly possessions?

PRAYER

- Pray for a breakthrough in our attitude towards our earthly possessions.
- Pray for God to do a deep work in us, to renew our faith and trust in Him in this area.
- Commit our cares and worries over our possessions to God. Pray for a renewed spirit of faithfulness and gratitude towards God.
