SERMON RECAP

How has the Lord journeyed with us and empowered us to grow in Christlikeness this year?

1. Discipleship is Knowing Christ

- The ultimate purpose of discipleship is the renewal of our lives as a result of knowing Jesus better.
- Many times, what stands in the way of us knowing Christ could be what we value more than Christ.
- The worth of knowing Christ is greater than anything we can pursue and accomplish in life.
- Personal, Experiential Knowledge: Paul was not merely seeking to know about Christ but to experience Him fully in every aspect of life (Phil 3:7-11).
- Transformative Knowledge: Knowing Christ includes being transformed by the power of His resurrection and sharing in His sufferings (Phil 3:10, Rom 8:11). Paul saw his suffering for Christ as a process of knowing Christ.

2. Discipleship is the Transformation of our Character

- Discipleship involves the transformation of our character to be more like Christ.
- Transformation can only happen when we dedicate our whole being - our body, our mind, our will to the Lordship and the Leadership of Christ (Rom 12:1-2).
- We experience the fruit of the Spirit in our lives when we allow God to transform our character and work in us (Gal 5:22-23).

3. Discipleship is Living Out the Biblical Values

- Discipleship leads us to live out biblical values that will enable us to be “Salt and Light of the world.”
