EDIFY ONE ANOTHER THROUGH HIS WORD

Sermon Title: Liberty – Reaffirming our Freedom; Releasing & Resetting

Sermon Date: 18 Feb 2024

Reference Text: Leviticus 25:8-22

Speaker: SP Lawrence Chua

Sermon Recap

- Liberty is the highest aspiration of the common people as mentioned in the UN declaration of Human rights.
- In the bible, the Jubilee year can be considered the year of the Lord's favour to set at liberty those who are oppressed.
- Liberty applies also to those who are oppressed by bondage of work and we can relate to this form of bondage caused by the oppression of work.
- God created work right from the beginning, but mankind caused work to change from joy to toil.
- Jesus has asked us to take His yoke that we may find rest for our souls. Being yoked together with Jesus as He gently and humbly teaches us will help us to trust in Him and find rest as we let Him lead and guide us.
- The bible reaffirms our freedom that is declared as a matter of fact, but we must act upon it to turn it into reality.

SHARING

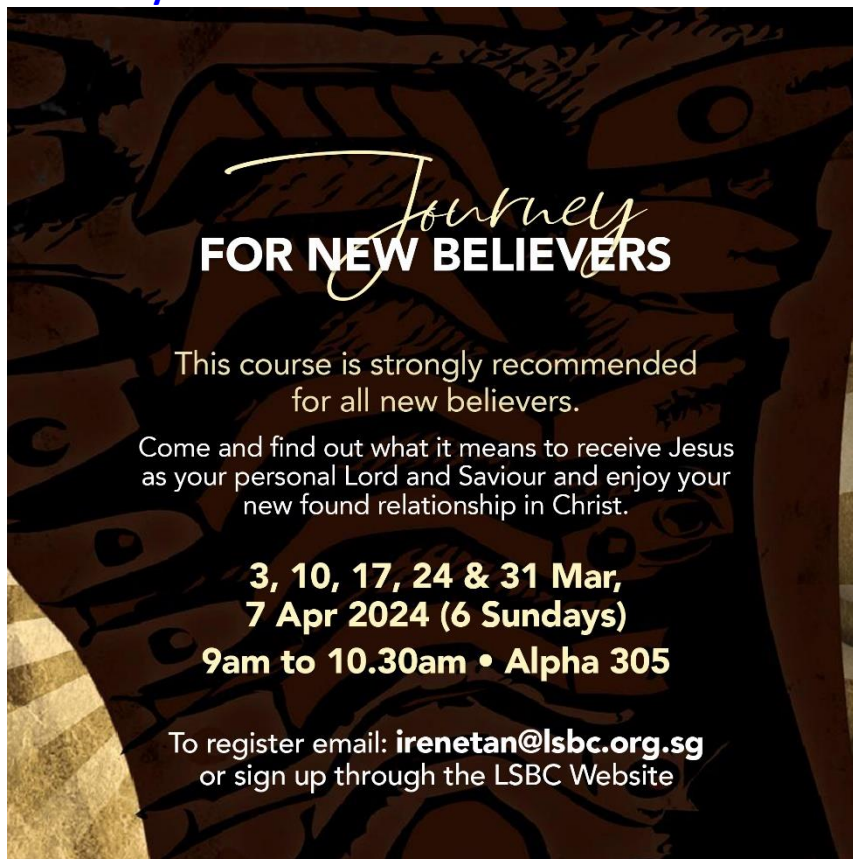

- What are the challenges we are currently facing that makes us sometimes feel like giving up?
- Are there any areas of oppression for ourselves or people we know that need God's liberty and freedom?
- How can we change our response, when situations happen, to have joy in our mindset and expectations?

PRAYER

- Pray that we will respond correctly when things happen to us and have a mindset and expectation leading to joy.
- Pray for liberty in our lives and those around us.
- Pray for a change of mindset and an increase in faith.
