EDIFY ONE ANOTHER THROUGH HIS WORD

Sermon Title: Who is a Faithful and Wise Servant?

Sermon Date: 7 April 2024

Reference Text: Matt 24:45-51

Speaker: SP Lawrence Chua

SERMON RECAP

- The focus of the message is Faithfulness in Servanthood, based on the parable of the wise and faithful servant.
- In the dedication of our cell leaders this week, we want to re-affirm them and honour them.
- DJC leaders have a multi-faceted and onerous task in leading cell groups.
- Their job description includes:
 - leading the cell
 - edifying cell members
 - attending to members' needs consistently
 - working independently
 - staying committed
- God has entrusted our leaders and us the assignment of Kingdom work by His grace, and we need to make ourselves available for His kingdom work.
- God has enabled us to do His work by imparting to us His grace. We are given abilities, opportunities, resources.

- God is expecting us to be on the job as His servant when He comes to call us to account. He is looking for faithfulness.

SHARING

- Do you identify more as a servant of God or as someone to be served by God in His household? How can we all help each other to move from wanting to be served to being servants of God?
- Can you identify the work of God's grace in your cell leader?
- Please share with the cell 1 work of God's grace you have personally witnessed in your leader to encourage him/her.

PRAYER

- Take some time to pray for your leaders and commit them to God.
- Pray for the cell to adopt a posture of unity and mutual servanthood to one another.
