SHARING

1. Reference to Phil 2:1-8 (NKJV) “.....in Christ Jesus, who, being in the form of God, did not consider it robbery to be equal with God, but made Himself of no reputation, taking the form of a bondservant, and coming in the

likeness of men. And being found in appearance as a man, He humbled Himself and became obedient to the point of death, even the death of the Cross.”

- A. Spend some time as a cell, using texts from the Bible, to draw evidence of Jesus' choices that reflect humility and simplicity. Discuss how these principles can be applied to our current society and/or current situation you are facing. How are they easy or difficult to adopt?
2. Reference to Daniel 1:5-16 where Daniel and his friends made a deliberate decision to avoid the defiling effect of living a luxurious lifestyle.
 - A. There are no shortcuts to simplified living. Simplicity by choice always requires a personal choice on our part to live simply. What does “simple lifestyle” mean to you? What are some deliberate choices that you have made to live simply?
 - B. How does your simple lifestyle reflect humility and simplicity of Jesus Christ?

PRAYER

1. For each other to adopt a simpler lifestyle that reflects the humility and simplicity of Jesus Christ to our pre-believing family and friends
2. For the church to **NEVER** adopt a celebrity culture
