EDIFY ONE ANOTHER THROUGH HIS WORD

Sermon Title: Returning to Our First Love
Sermon Date: 16 April 2023
Reference Text: Revelation 2:2-7
Speaker: Elder James Lee

Sermon Recap

- The message to the church in Ephesus is also for us today; to return to our first love for God and to "do the deeds you did at first" (Rev. 2:5).
- We need to reflect on how we are currently spending our time and money, and what we are prioritising in our lives today.
- If we have left our first love for God, we need to remember, repent and return to Him.
- Remembering requires us to recall how it was like when we first fell in love with God and when we were passionate for Him.
- Repenting means to acknowledge our wrong in having left our first love.
- Returning is taking action to go back to building a close relationship with God and steer back on course spiritually.
- When Jesus is at the centre of our lives, every other aspect will fall into place according to this re-direction.

SHARING

- Recall the moment when you first fell in love with God or the process that led you to realise your love for Him. Share your personal story.
- What is the most out-of-this-world or daring thing that you have done for God? Would you have chosen to do it again today, and why?
- How would you be able to tell if you have left your first love for God? What would it be like for you to return to your first love?

PRAYER

- Pray for one another to soften our hearts towards God.
- Pray for our church that we will heed the message in Revelations 2:2-7 and re-centre on Jesus alone.
