SHARING

1. As Christians, we are wired to expect only continuous good things to happen to us. Share why this may be so. How can we reset values in that in our abundance we give OR in our lack we learn to be generous?
2. Spiritual values should be accentuated over material values. Which of the 4 spiritual values is easy/difficult for you to inculcate in your current season and why?
3. Refer to 1 Kings 17:8-16 where a famine took place and a widow was challenged by Elijah, to give obediently out of generosity and faith despite her circumstances and she was in turn, rewarded with a miracle. How does this remind us to overcome our personal insecurities (e.g barrenness or scarcity) in our life?

PRAYER

1. For a miracle to take place for people in the cell (or a family member/friend) who are experiencing financial setback, oppression or suffering from personal insecurities.
2. For each other to accentuate spiritual values over material values and to anchor our hope and trust in God.
